The City of South Perth Historical Society Inc. operates from Heritage House, the former Roads Board Building on the corner of Mends Street and Mill Point Road. We present ongoing exhibits of original artworks from the City of South Perth's May and Herbert Gibbs Art Collection and other items from the Society's own collection of May Gibbs ephemera and pieces with an historic connection to our district.

We actively encourage public interest, focus and support for the preservation and recording of the City's heritage including buildings, sites and stories through a variety of activities: a quarterly newsletter, Heritage Talks by guest speakers, publications of stories collected, creation and sponsorship of heritage based prizes. The depth of work we can achieve is based on our membership strength so please consider joining our Society if you have an interest in the History and Heritage of our City.
